Description

One of a kind home that has been updated while still holding its traditional charm. New carpet and paint in the living room 2019. Great entry way that leads to a open staircase with etched glass windows and beautiful woodwork. Spacious living room with built in bookcases and gas fireplace. Large dining room and library room with gorgeous oak and maple floors that have been refinished. Remodeled open kitchen with maple cabinets and quartz island counter top. Main floor laundry next to kitchen. New boiler system installed in 2018. Mitsubishi cooling system installed in the last 5 years. Over 40 updated windows installed through out the house. Attic could be finished to give even more livable space. Large two car detached garage with an additional one car parking pad.
